

Town of Shutesbury, Massachusetts 01072

**Shutesbury Selectboard
Meeting Minutes
August 28, 2001**

Members Present: Patrick J. Callahan - Chairman, and Ralph J. Armstrong.
Also Present: David B. Ames- Town Administrator, Leslie Bracebridge- Admin. Sec.

Meeting opened at 7:00 p.m.

David reported that a number of people have multiple chemical sensitivities, including fragrances, so he recently put out a notice to department heads to publish the fact that **Public Hearings are fragrance free events**, when placing legal ads. (After the Selectboard Meeting, the Town Clerk volunteered to add that notice to the posted meeting notices.) David will attend the Library Trustees meeting on August 29, to determine what reasonable accommodation can be made to limit chemical fragrances at the Library as well.

A motion was made, seconded and unanimously voted to adjourn at 8:06 p.m.

Respectfully submitted,

Leslie Bracebridge
Administrative Secretary
