**Community resources (lets add more as they become known)**

**Monadnock at Home** A membership organization that provides a support system for residents committed to remaining in their own home as long as possible. [www.monadnockathome.org](http://www.monadnockathome.org)

**Village to Village Network** An umbrella type of organization linking, partnering and aiding communities that is dedicated to helping people remain in their homes while they age. Also an great resource for future "villages" in their developmental phase [www.vtvnetwork.org](http://www.vtvnetwork.org)
