before the rain-

a little rain-

lots of rain!

Shopping and enjoying your children's concert at the same time, where else? Rain or shine the kids played on. Rain or shine the market is on. Happily this Saturday will be beautiful and there will be pony rides.

These kids were amazing! Nothing phased them or stopped them. The music kept playing. As spectators rain for umbrellas the sky opened up. Brian asked for a bigger umbrella and quickly with the help of a neighbor with 2 tents and helpful parents the band had some cover and kept playing until they lost power. Hope you get a chance to hear them. It is well worth your time. They were great. Thanks goes out to the Shutesbury Elementary School band and Brian Bender, the music maker and a great music teacher.
