Rich will be doing an ice hockey rink in the winter and is open to other ideas. If any one would like to join him on Recreation Committee please let me know.

### **TOWN HALL NEWS**

This week town hall was swarming with activity. Thomas J. Scanlon CPA staff were here to do our three year audit. They carefully went through every nook and financial cranny asking about all our routine practices and projects, taking special note of the costs of our gasoline leak at the fire station. We are very fortunate to have a top-notch financial team that provided all documents for review.

### **VOLUNTEERS NEEDED**

**PERSONNEL BOARD** in search of a new member.

**CONSERVATION COMMISSION** in search of new members.

**NEW KNOT WEED BRIGADE-** If you are interested in working to help control the knot weed around town, starting at the town hall. We hope to get teams together to meet one time a month to focus on specific sites to fight this invasive plant. The plants need to be pulled out, with roots and dried in the sun before disposal.
