BUGABOO REVUE

A puppet show with
Shutesbury's own puppeteer,
Anna Sobel of Talking Hands Theatre

Sunday
June 2nd
2 pm
At Town Hall

Some people think creepy crawlies are just plain gross. But if you look closely, every bug in your garden has a song to sing about the special job it does to help plants grow. Learn more about why it's important to keep bugs alive and garden organically. Beautiful bug puppets and catchy, interactive songs in a range of styles round out this fun and educational show. Recommended for ages 2-8.

Funding for this program is provided by the *Friends of the M.N. Spear Memorial Library*.
