

Please join us for this important informational workshop specifically designed for Community Anchor Institutions (CAIs). We will discuss how to connect to the network and all the benefits of *MassBroadband 123*.

Thursday 6, 2013

CAI meeting 3:00pm – 5:00pm

Public meeting 6:00pm – 7pm

Shutesbury Town Hall

1 Cooleyville Rd

Shutesbury Ma 01072

Agenda:

- Project update of the *MassBroadband 123* fiber-optic network
- Network Operator, AXIA overview, service providers and available services
- Planning next steps - how to connect to the network
- Franklin Regional Council of Governments will discuss their service provider RFQ which will provide CAIs and municipalities information to help expedite the procurement process and the acquisition of services utilizing the network
- Networking with other CAIs, ask follow up questions to MBI or AXIA staff, or speak with invited service providers to learn about the services they offer
