

## Flu clinic reminder and call for volunteers

The annual Board of Health flu vaccination clinic will take place on Saturday, October 19, from 10 a.m. to 1 p.m. at Shutesbury Elementary School. All who live or work in Shutesbury are welcome (babies must be over six months). There is no charge at the clinic. Bring insurance and Medicare cards.

The Board of Health is looking for a few more volunteers to help staff the clinic beginning at 9 a.m. Coffee and pastry provided, no medical experience required. The clinic is run as an exercise of the Emergency Distribution Site, which would respond to public health emergencies, so volunteers will learn something about emergency response and preparedness. Contact the Board of Health at [boardhealth@shutesbury.org](mailto:boardhealth@shutesbury.org) or 259-2122.

Save time! To download clinic paperwork and read Vaccine Information Statements, please go to [shutesbury.org/health](http://shutesbury.org/health)

Catherine Hilton, Clerk, Shutesbury Board of Health
