## **“What's it Like?” : Parent, Teachers, and Student Speak**

Thursday, January 14, 2016

5 p.m.

Swift River School Auditorium

*A panel discussion of experiences on the front lines of standardized testing in Western Mass*

Goal 1: to bring to light the real problems created for the education community by standardized testing in its present form.

Goal 2: to discover strategies for making an impact on Massachusetts legislators in order to bring about change for the better.
