At

Shutesbury Town Hall

POSTED IN ACCORDANCE WITH THE PROVISIONS OF MGL 30A §§18-23

Many Lake Wyola residents are interested in investigating the possibility of restoring the lake's coves to their historic depths. Al Collings, President of the Lake Wickaboag Preservation Association in West Brookfield, Massachusetts, lead a similar restoration effort. He will be speaking with LWAC and residents about his experiences.

See <http://www.lakewickaboag.com/new-page-52/> for background information.
