Two important changes this week:

- On Monday, March 22, we transition to Phase IV, Step 1, of the reopening plan. Details are available at <https://www.mass.gov/info-details/reopening-massachusetts>
- A [vaccine eligibility timeline](#) for everyone over age 16 who is living, working, or studying in Massachusetts has been published. This link also provides information on how to preregister at a mass vaccination site, such as Eastfield Mall, and how to search for appointments at other venues such as commercial pharmacies.
