

Rescinding Old Town Hall Structural Repairs project grant

To see if the Town will vote to rescind the grant of \$34,000 from the Community Preservation Historic Resource Fund, previously authorized by Article 12 of the May 4, 2019 Annual Town Meeting for the purposes of work on the Old Town Hall including excavation of the crawlspace, any necessary repairs to the building's underpinnings, and the structural design and installation of new wood framing for the original first floor of the building, and to return those funds to the CPA account from which they were appropriated, or take any other action relative thereto.
