

Dear Shutesbury residents:

Here are the current data to the best of our knowledge:

Known cases currently isolating: 4

Total known cases with onset in the 2-wk period 8/11/2022 - 8/24/2022: 7

CDC rates community levels in both Franklin and Hampshire counties as low.

If you test positive, please contact us at publichealth@shutesbury.org and include the date of the onset of symptoms, if any, or the date of testing.

Home Covid tests are still available at Town Hall and the library.
