

Shutesbury Board of Health
October 7, 2020, 7 pm
Virtual meeting

Present: Norene Pease, chair; Arleen Read, Garrett Simonsen, Al Werner, board members.

Actions taken:

Reviewed and approved the Community Health Metrics developed by Union 38. Arleen will respond to our school nurse Katie Harrington and inquire if a BOH member should attend a school committee meeting. Norene will ask Phoebe Walker if FRCOG will help with the interpretation of metrics data for the Franklin County towns, specifically Franklin/Hampshire Counties < 10 cases per day or 70 cases/week/100,000 populations, weighted estimate using NYTMA county specific case data.

The Board decided to endorse the use of Mary Ann's Plan for library curbside pickup for use at SES. Arleen will contact the school with this decision.

Norene will ask Phoebe for more specific information on proposed State legislation to credential public health workers such as health agents and public health nurses. Norene will see if Charlie is on the workgroup for the legislative development.

EDS Planning:

Garrett will contact Jackie Mendonsa to remind school officials of the parking lot drive thru drill set up on October 17th or 24th rain date. He will check to see if the restroom can be used by EDS staff and will determine if we need a power source.

Norene will contact Dan F and Walter T to see if they plan to attend the drill and to request the use of 20 cones to set up the parking area. (20 cones needed Becky may have some)

Norene will also ask Walter if the FD has any Halloween Plans.

Garrett will determine with Cat what sandwich board signs might be needed.

All staff at the drill, Jackie M, Dan F. and Walter should be prepared to respond to a HAAN notice during the drill set up.

Garrett and Arleen will help move equipment to the shed when Cat gives the go word.

Separate email sent this afternoon on Halloween decisions re messaging.
