

## Energy Committee Minutes

January 9, 2012

Present: Mark Tuominen, Steve Rice, Clark Sylvester, Larry Hunter and Becky Torres.

The meeting convened at 7:00 PM.

### Agenda Items:

1. Minutes from the last meeting on 12/12/11 we reviewed and approved as amended.
2. Green Communities Act. Becky and Clark attended the award and celebration event in Deerfield on 12/15/11. Steve will write up a news item for the upcoming Town newsletter and have it reviewed by the committee before it goes to Janis. Becky completed the paper work to get 50% of the money up front. She will begin working on getting bids for the work. For work to begin on the new solar panels at the fire station we will need a notice of intent due to the wet lands on that property.
3. Franklin County Transit Authority. No action taken on this item.
4. Free Tire Inflation Station at the Maintenance Building. No action taken.
5. MassSave and Franklin Town Home Care: Steve will write up a news item for the Town Newsletter indicating the programs that are available.
6. SREC funds and Revolving account for Energy Committee. Becky will determine what the spending limits are.
7. Mass Energy Insight Data. To be reviewed at the next meeting. Check out the information on line before the meeting. [www.massenergyinsight.net](http://www.massenergyinsight.net)
  - a. The school appears to need some monitoring for energy efficiency. Perhaps Craig could help with his IR camera. Steve will contact to follow up.
8. Next meeting is February 6, 2012, 7 PM at the town hall. Agenda items will be Mass Energy Insight data review and Green Communities projects.

Respectfully submitted,

Steve Rice
