

Open Space Committee
[virtual meeting] updating OSRP Plan

March 24, 2021

In attendance:

Tamsin Flanders, FRCOG

Penny Jaques & Gail Fleischaker, OSC

Review of survey questions. Phrasing of questions is coming along well overall, still several specific items to sort out. Tamsin has solved a couple of the Survey Monkey formatting problems.

Expect to be able to post notice of survey on Town website – and send notice in Town Announcements – on June 1st. Will/can have hardcopy surveys available at ATM June 12th.
