

Highway Superintendent
Town of Shutesbury

The Town of Shutesbury is seeking applications for the full-time position of Highway Superintendent. Major responsibilities include: maintenance of all town roadways and properties; maintenance and repair of department machinery and equipment; development and implementation of improvements/projects including highway construction; budget administration; environmental permitting; and supervision of personnel. This is a working position requiring a considerable degree of independent judgement. The Highway Superintendent is one of a regular crew of three. Minimum requirements include: high school diploma, Class 2 and Hoisting Engineer licenses; knowledge of engineering principles, DEP requirements, current practices, and materials related to roadways; 5-7 years experience in highway maintenance and construction; 1-2 years of supervisory experience. Salary dependent on experience and qualifications, \$58,000 to \$70,000.

Shutesbury is an EEO/AA employer. Submit a letter and resume to: Highway Superintendent Search Committee, P.O. Box 276, Shutesbury, MA 01072 by Friday, September 1, 2023. Call 259-1214 for a copy of the job description.
