

**From the Assessors:
Shutesbury Revaluation**

Fiscal year 2012 (FY12) is a revaluation year for Shutesbury. What that means is that the Assessors, with the assistance of a revaluation company and under the guidance of a Massachusetts Department of Revenue (DOR) field representative, review and analyze recent property sales to determine if value adjustments are in order. The DOR requires that property be assessed at fair market value. A value adjustment would be required if sale prices town-wide were ten percent over or under assessed values. Adjustments are applied to all properties as indicated by the recent sales.

In order to assure equitable taxation of personal property, the DOR is requiring the Town to assess 2nd home personal property at 2% of the building value. This figure was arrived at by analyzing the Forms of List returned by owners of 2nd homes.

The sales review and analysis has been completed and we are now awaiting preliminary approval from the DOR of our proposed new assessments. As soon as it is received, the new assessments will be posted on the assessors page of the Shutesbury website, www.shutesbury.org, and hard copies will be available at the Town Hall, Library, and the Post Office. A notice will be placed in the Daily Hampshire Gazette informing property owners that the assessors will be accepting comments and answering questions on the new assessments for two weeks. Out of town property owners will be notified by letter of their new property assessments.

Regular office hours are Monday, Tuesday, and Thursday from 10-3 and Wednesday from 1-3. The Board meets on the first and third Monday of the month at 4:30PM.

You may contact the assessors by phone at 413-259-3790, or by email at assessor@shutesbury.org.

Administrative Assessor

From the Town Clerk

Shutesbury's Tuesday, October 25, 2011, 7 P.M. Special Town Meeting will take place at the Shutesbury Elementary School, 23 West Pelham RD. See the enclosed warrant.

Shutesbury's November 8 Special Override Election will take place at the Shutesbury Town Hall, 1 Cooleyville Rd. Polls will be open from 7 AM through 8 PM. See the enclosed warrant. Initial results will be posted on the town's website: WWW.shutesbury.org, on the Town Clerk's telephone answering machine: 259-1204, and on the front door of Town Hall as soon as they are available.

Absentee ballots for the Special Election are available at the Town Clerk's Office for voters who will either be absent from Shutesbury, or who have a physical disability, or a religious belief that prevents them from being present during polling hours. Requests for absentee ballots must be made in writing, include: the voter's name, voting address and the address to which the ballot should be mailed, and the voter's signature. Please allow plenty of time for mail delivery of an application and the ballot back and forth. A voter may also absentee vote in person at the Town Clerk's office until noon on Monday, November 7. For any questions about absentee voting including hours, please call the Town Clerk's office: 259-1204.

The only way to vote on the Special Town Meeting warrant articles is to be at the meeting. We hope you will be able to attend. Key results of the town meeting will be put on the website, Town Clerk's answering machine, and posted on the front door of town hall late on the night of the 25th.

If you have any procedural questions about voting, please feel welcome to call or email me. Thank you for voting.

Leslie Bracebridge, Shutesbury Town Clerk

250th Anniversary History Walk at Leverett Road Cemetery Sunday, October 23, 3:00 – 5:00 p.m.

On Sunday, October 23 (rain date October 30), 21st Century Shutesbury residents portraying “People of the Past” will be on hand at the cemetery between 3:00-5:00 p.m. to answer questions about themselves, their families, and how they went about their daily lives. There is no formal program; just come and find them waiting to greet you!

In addition to the People of the Past, you will find signs next a number of gravestones. The poignant inscriptions carved on many stones are now too weathered to read. But in the 1900s – when the inscriptions were more legible – professional genealogists Walter E. Corbin (b. 1885) and Lottie Corbin (b. 1884) visited all of Shutesbury’s cemeteries and recorded the words that they found. Many thanks to Town Clerk Leslie Bracebridge for offering to create signs for this event with transcriptions drawn from the Corbins’ research, as well her own.

(Note: The previously published time of 2:00 p.m. for the start of this event has been pushed back to 3:00 p.m. in an attempt to minimize the unintended conflict with the October 23 PTO Hike-a-thon – or, in case the rain date is used, the PTO’s October 30 Halloween Fair.)

From the Community Preservation Committee:

Shutesbury’s Community Preservation Committee (CPC) is pleased to announce the availability of Community Preservation Act (CPA) funds. Interested applicants complete the one-page Determination of Eligibility (DoE) form and forward one copy to Chair of CPC, Shutesbury Town Hall, P.O. Box 276, Shutesbury, MA 01072 no later than November 30 for the next annual Town Meeting. If the CPC agrees that a submitted proposal is eligible, then a complete Application for Funding is due no later than December 31. Shutesbury’s Community Preservation Plan (revised, October 2011), is available at Shutesbury.org or by emailing a request to donald.j.fletcher@gmail.com. The revised Community Preservation Plan includes more information about Shutesbury’s Community Preservation program; Chart 1 “CPA Allowable Uses” (page 4), which the CPC will rely on in determining a proposal’s eligibility; and new Evaluation Criteria (pages 10-12) which will guide the CPC review of full applications for funding. Thank you.

Donald Fletcher, Chair, Community Preservation Committee

Wanted: Community Reading Partners

- Do you enjoy working with children?
- Would you like to support struggling readers?
- Do you have 30 minutes per week to commit to a child?
- Want to make a difference in the life of a child?

The Shutesbury Elementary School is the recipient of a 2012 LSTA School Library Incentive Grant for its “Community of Readers” program. The grant targets struggling and reluctant readers and will work to build an appealing collection of books, a cozy reading area, and a network of community reading partners to support our readers.

We are currently seeking community Reading Partner volunteers. Parents, retirees, high school students—if you have 30 minutes per week (during school or afterschool hours) to commit to helping a struggling reader please consider this opportunity. Training will be provided. We will begin the program in December and run throughout the spring.

If you are interested in becoming a Reading Partner, or would like more information, please email me at bernardm@shutesburyschool.org or call 259-1212 x133.

Thank you!

PUBLIC HEALTH FACT SHEET

FLU (Seasonal Flu)

Massachusetts Department of Public Health, 305 South Street, Jamaica Plain, MA 02130

What is flu?

Flu is a disease of the body's breathing system, including the nose, throat and lungs. Flu is short for "influenza." Flu is caused by a virus. In New England, the yearly flu season usually begins in December and lasts through March. Flu that occurs every winter season is called "seasonal flu." New and very different flu viruses that appear every 30-40 years, like the H1N1 flu virus in 2009, are called "pandemic flu." Seasonal flu and pandemic flu have similar symptoms, are spread the same way, and are prevented the same way.

What are the symptoms of flu?

The most common symptoms of flu are fever, cough, and sore throat. Symptoms can also include body aches, headache, chills, runny nose and feeling very tired. Some people, especially young children, also have diarrhea and vomiting. Symptoms last from a few days to up to a week or more.

Is flu serious?

Yes, flu can be very serious. Every year in the U.S. seasonal flu causes thousands of hospital admissions and deaths. Some people are at higher risk of serious health problems when they get the flu. This includes pregnant women, infants, the elderly and people with medical conditions like asthma, diabetes, heart disease, kidney disease and weakened immune systems.

How does flu spread?

The flu virus is in the wet spray (droplets of saliva and mucus) that comes out of the nose and mouth of someone who coughs or sneezes. If you are close enough to a person with the flu (3 - 6 feet) when they cough or sneeze, you can breathe in the virus and get sick. Flu symptoms start 1 - 4 days (usually 2 days) after a person breathes in the virus.

Flu is spread easily from person to person. The virus can also live for a short time on things you touch like doorknobs, phones and toys. After you touch these objects, you can catch the virus when you touch your mouth, nose, or eyes. Adults with flu can spread it from about one day before symptoms appear to about one week after. Children can spread the flu even longer after they get sick.

How is flu treated?

There are drugs available that your doctor may prescribe to treat flu. The drugs work best if started soon after symptoms begin. Your doctor can determine if you need treatment.

People sick with flu should make sure to drink plenty of fluids, get plenty of rest, eat healthy foods, wash their hands often and stay home to avoid spreading the flu to other people. Over the counter pain relievers may help people with the flu feel more comfortable. Children and teens with the flu should never take aspirin, because a rare but serious disease called Reye syndrome can occur. Do not give cough or cold medicines to children younger than 4 years of age.

Is there a vaccine for flu?

Yes. A vaccine helps your body to protect itself against a disease. There are two types of vaccines for flu: the shot (given with a needle injection, usually in the arm) and the nasal spray. Both the shot and the nasal spray will protect you from the flu. Getting flu vaccine will **not** give you the flu or any other type of illness. **Getting vaccine is the best way to protect yourself against flu.**
