March 12, 2021

The Shutesbury Selectboard is creating a Police Study Group. The purpose of the study group is to study the policing needs in the town of Shutesbury, examine alternative department structures, review current practices and policy and determine how best to meet the policing needs of Shutesbury.

The Group will be comprised of one rotating police officer from our police dept, a member each from the Select Board, Personnel Board and Finance Committee and three community-at-large members. The Select Board member, similar to the police representative will be a rotating member. The Group will be subject to all the rules of Open Meeting Law.

The Selectboard is looking for letters of interest for the three at-large community member positions. The three community members should be diverse, representing different experiences and points of view in our town.

The letter of interest should explain your interest in the topic of policing. What is your experience with policing? What are your concerns about policing? Do you have work related experiences with policing? Or concerns you feel are important to this study group?

Please submit your letter of interest to The Shutesbury Selectboard:

Mail to : Town Hall  
1 Cooleyville Rd.  
Shutesbury, MA 01072
